SEAMEO REGIONAL CENTER FOR GRADUATE
STUDY AND RESEARCH IN AGRICULTURE (SEARCA)

The SEAMEO Regional Center for Graduate Study and Research in Agriculture (SEARCA) is one of the regional research and training centers of the Southeast Asian Ministers of Education Organization (SEAMEO), an intergovernment body founded in 1965 to promote cooperation among Southeast Asian nations through activities in education, science, and culture. SEARCA's programs are designed to accelerate sustainable agriculture and rural development through human resource development, research, technology transfer, and information dissemination. It is hosted by the University of the Philippines Los Baños, which is based in Los Baños, Laguna, Philippines. It is supported by donations from SEAMEO member and associate member states, other governments, and various international donor agencies.
